

Hurricane Season

Last year, before we took possession of this location, Hurricane Ike hit the Gulf Coast and left this building with 4 feet of water inside. Due to this fact, we are unable to board animals at The Majestic Pet Hotel & Boutique if an area evacuation is called.

In the event of an emergency, every effort will be made to contact me or my representative(s) to retrieve my pet(s). By signing this document, I understand that **I or my representative will be responsible for picking up my animals within 2 HOURS of a "mandatory evacuation" order.** After the allotted time period for pick-ups, the animals will be evacuated and the building will be secured. I understand and agree, **if I do not pick up my animals within this given time frame, I will be charged a \$500 fee per animal** for sheltering during the emergency.

I agree that The Majestic, at its sole discretion, is authorized to transport, and/or make temporary alternative arrangements to house and care for my pet(s) until such time me or my representative can retrieve the pet(s).

The Majestic staff will not re-enter the building until the general public is allowed back into the area, or until the evacuation is called off.

I understand that I will still be held responsible for any and all charges incurred during my pet(s) stay and the balance must be paid in full upon pick up of my pet, either by myself or by my representative(s).
